

Draft Agenda

PDW Madeira

EMPOWERING STUDENTS WITH ETWINNING

3, 4 e 5 de outubro de 2019

“No matter what global problem you are dreading, whether it’s the elimination of poverty, whether it’s the creation of peace, whether it’s solving environmental energy problems, the solution - whatever it is multiple solutions, the solutions always include education, never is it without an education component and sometimes cannot be done without education”.

Nicholas Negroponte
