3rd online meeting	13 th May 16:00-18:00 (LV time)	Conferencing tool (Zoom) Presentations by teams	Project teams present their projects, reflect on the experience

Countries participating: Latvia, Germany, Ukraine and Iceland

Number of participants: 30-50

Result: participants find project partners and carry out projects with their students

Aims:

1. Identify benefits of independent student learning and collaboration online
2. Analyse online learning structure in different schools and countries
3. Compile ideas and resources for carrying out online learning
4. Choose project idea (or create one)
5. Find appropriate project partners
6. Plan project for their students with their partner
7. Carry out planned projects
8. Reflect on project experience
